

Thank you for being an ^{Angel}Angel

Your generosity...

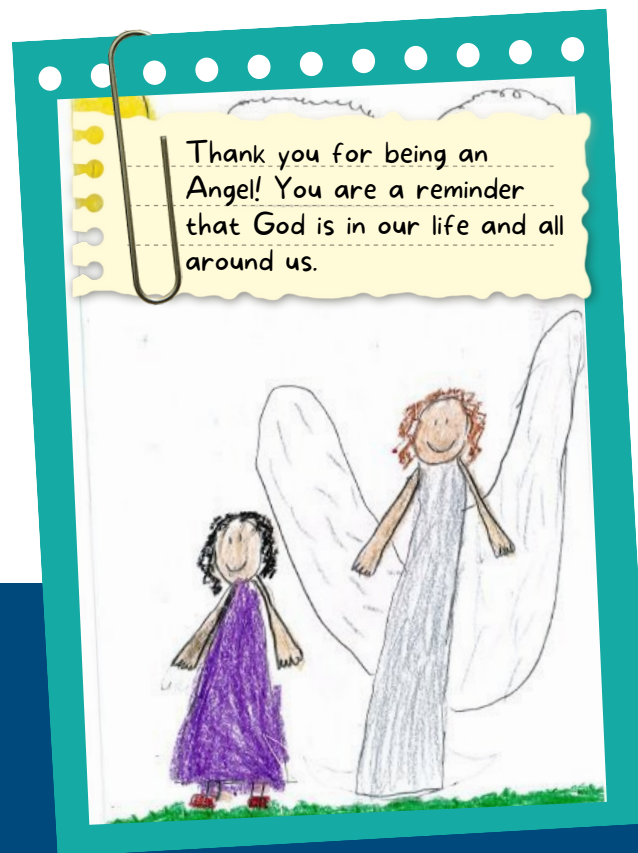

Impacts the lives of deserving students by giving the gift of partial tuition assistance to those students who have a desire to attend Catholic elementary schools and academies, and whose parents struggle to turn that desire into a reality.

How it works

Angels provide partial tuition assistance for a student in-need starting at \$2,000 a year. As an *Angel*, you will be able to correspond with the student you support through letters and drawings.

100% of your donation goes directly to providing tuition assistance.

WHAT IS AN ^{Angel}Angel?

By providing partial tuition assistance to our students and families in need, our *Angels* bring hope to the next generation of Catholic school students.

Why your gift **Matters**

Our parents give voice to how your gift makes a profound impact on their lives

"My husband is now permanently disabled, which was very hard to handle for all of us. I just would like to thank the *Angel* in my childrens' lives in helping us get through this difficult time."

"Catholic education is very important to our family. ... With three children the expense of Catholic education is not always easy. Especially during the circumstances due to COVID 19 where I was no longer able to work part time or in any capacity. ... Thank you and God Bless."

Through the *Angel* program, I am able to provide my daughter with a wholesome, well rounded opportunity to become a citizen of hope and fulfilled dreams thanks to the continuous assistance received.

Dear Angel
I am having a great time in 1st grade. I am getting A's and B's so far. I am thankful for my friends, teacher and family. At school we are collecting food for families to help them for the holidays. I want to thank you for your help and support. God bless you and your family. Merry Christmas!
