

Thank you for being an ^{Angel}Angel

Your generosity...

Impacts the lives of deserving students by giving the gift of partial tuition assistance to those students who have a desire to attend Catholic elementary schools and academies, and whose parents struggle to turn that desire into a reality.

WHAT IS AN ^{Angel}Angel?

By providing partial tuition assistance to our students and families in need, our *Angels* bring hope to the next generation of Catholic school students.

How it works

Angels provide partial tuition assistance for a student in-need starting at \$2,000 a year. As an *Angel*, you will be able to correspond with the student you support through letters and drawings.

100% of your donation goes directly to providing tuition assistance.

Why your gift **Matters**

Our parents give voice to how your gift makes a profound impact on their lives

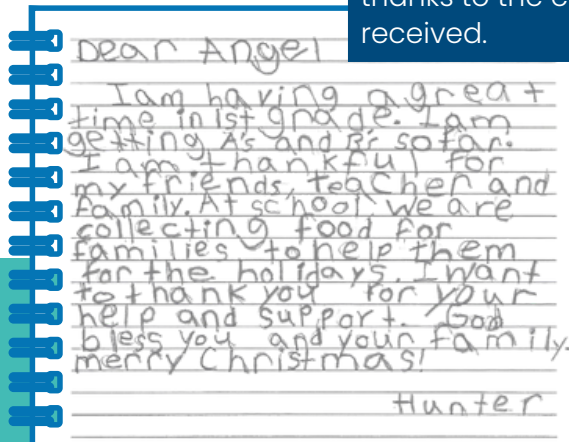

"My husband is now permanently disabled, which was very hard to handle for all of us. I just would like to thank the *Angel* in my childrens' lives in helping us get through this difficult time."

"Catholic education is very important to our family. ... With three children the expense of Catholic education is not always easy. Especially during the circumstances due to COVID 19 where I was no longer able to work part time or in any capacity. ... Thank you and God Bless."

Through the *Angel* program, I am able to provide my daughter with a wholesome, well rounded opportunity to become a citizen of hope and fulfilled dreams thanks to the continuous assistance received.

The mission of **Futures in Education** is to ensure that the gift of an excellent Catholic education continues to be a viable option for current and future generations of deserving students in Brooklyn and Queens. We provide assistance to the neediest of those students through endowment funds and fundraising programs that focus on key educational priorities.

The Catholic School **Difference**

Catholic schools and academies in Brooklyn and Queens are dedicated to education of the whole student in mind, body, and soul. Catholic education guides students to develop a life-long love of learning and to experience our Catholic faith in action in our school communities.

With core values that center around faith, academics, and community, our students are enabled to grow knowing that they have the tools to become citizens for a better world.
